Who Is Asharamji Bapu?

Well Versed In Scriptures, Master of Kundalini Yoga, Self-Realized Brahma Jnani Saint -

Param Pujya Sant Shri Asharamji Bapu preaches the existence of One Supreme Consciousness in every being. He has devoted at least 50 years of his life to the spiritual awakening of the people without charging them a single penny.

Life Sketch

FROM "ASUMAL" TO SANT SHRI ASHARAMJI BAPU

Shri Asharamji Bapu was born as "Asumal" in Berani village of Nawabshah district in the state of Sindh (undivided India). As a result of partition of India in 1947; his family leaving their entire properties migrated to Ahmedabad due to intense love for Hindu Dharma and India. Since childhood, he was always seen inclined towards the practice of Yoga and Self-Knowledge.

At the very young age he developed the yearning for God-Realization which led him to his guru Sai Shri Lilashahji Maharaj. The supremely kind-hearted Sai Shri Lilashahji Maharaj instructed him to do sadhana. After doing intense spiritual practices, on the second lunar day of the bright fortnight of Ashwin of the year 2021 (7th October 1964 according to Gregorian calendar) at 2.30 PM, he attained Self- realization with the grace of his Guru. The perfected Guru made the disciple well established in Guru-Tattva. Asumal became Sant Shri Asharamji Bapu.

Showering His blessings; the supreme benefactor his holiness Sadhguru Sai Lilashahji Maharaj said to him, **"Asharam! You emit your spiritual fragrance like a rose; and the world will know you. Now leading a householder's life, you distribute the gifts of spiritual blessings to relieve people suffering from sins, afflictions, grief, tension, diseases and sorrows; and awaken them in their own Self."**

Saint of the Masses

'I AM THE ATMAN ABIDING IN ALL BEINGS'

Pujya Bapuji is a staunch supporter of unity and integrity of the nation, which makes him a *Lok Sant*. That is why in spite of being a Hindu saint, thousands of Muslims, Christians, Zoroastrians, Sikhs, Jains and people belonging to diverse other religions feel proud to be recognized as his disciples. One doesn't find any trace of religious bigotry and sectarianism in his discourses. Bapuji believes, "All the religions, faiths, sects, castes and races of the world originated from the Divine, the Pure Consciousness and will finally get dissolved into the same. Why then are we breaking the country in the name of religion, caste, language and sects?

“For a hungry man, food alone is the spirituality, food grains are actual God and clothing solely is Divinity.”

Benefactor of the Deprived

SARVE BHAVANTU SUKHINAH

Pujya Bapuji Says, “Make your life a celebration. (Utsav) ‘Ut’ means supreme and ‘sav’ means yajna (sacrificial act). Feeding a hungry man, giving water to the thirsty, showing the way to one who has lost his way, providing courage to the dejected, showing the path of satsang to people in bad company- all these are Karm-Yajnas (Yajnas performed through selfless action). If you feed a hungry person, he will of course be benefited by way of his hunger getting satiated; but at the same time you will be all the more benefited by way of mental satisfaction and spiritual elevation”.

Vasudhaiv Kutumbakam

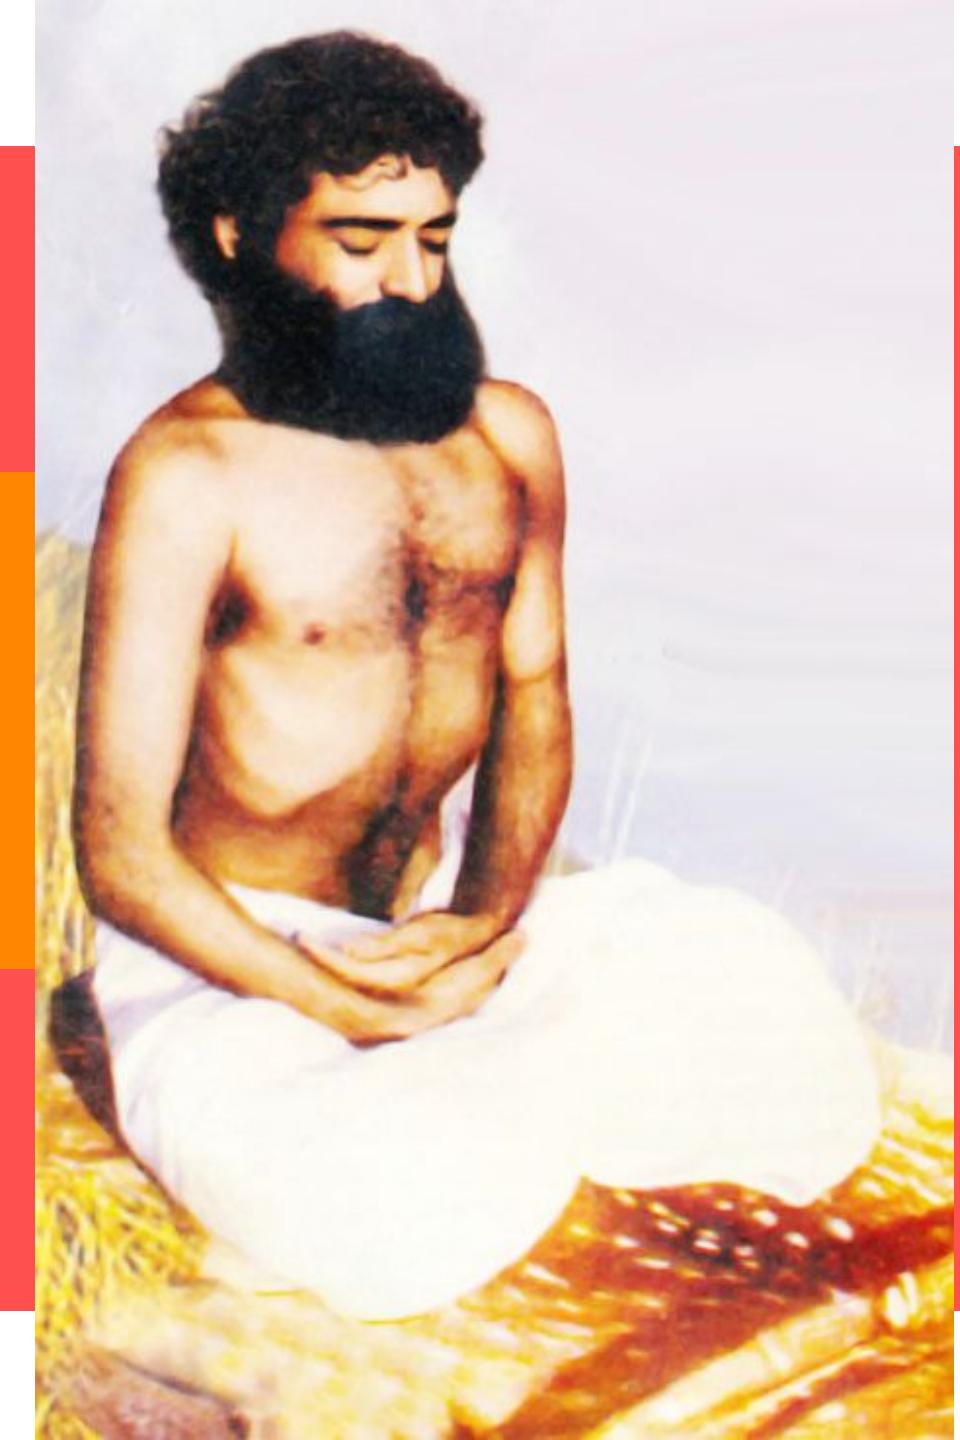

THE WHOLE WORLD IS ONE FAMILY

Pujyashri's message is - all men should shun envy and malice and should live life with mutual love and affection and thus build an ideal society which shall put India on a pinnacle in the comity of nations ('Vishwa Guru') in no time.

*“Bharat will
become Vishwa
Guru and it is
my Brahma
Sankalpa.”*

Equipped with Yogic Powers

MASTER OF KUNDALINI YOGA

God-realization is a supremely elevated state. If this state is coupled with Yogic potency, it is like sugaring the milk. This very kind of combination is seen in the life of Param Pujya Bapuji. On one side His state of God-realization fills the hearts of devotees who come near Him with bliss and peace and on the other, incidents like bringing a dead cow to life, causing rainfall in famine-struck areas, curing people of incurable diseases, blessing poor people with wealth and uneducated ones with intellect and turning staunch atheists into believers – ***are evidence of His being a master of Kundalini Yoga equipped with Yogic powers.***

Scientific findings of Bapuji's Aura

Dr. Hira Taparia (Indian Aura Specialist) performed an Aura analysis of Pujya Bapuji. Dr. Taparia explains Pujya Bapuji has a unique Aura which usually spans to 3 meters and is capable to stretch to over 50 – 60 feet when interacting with others. He further explains while others have capability to absorb others positive energy, Pujya Bapuji has unique capability to absorb other's negative energy and give positive energy from distance.

Who is Dr. Hira Taparia?

Dr. Hira Taparia is an Expert in Aura Analysis. He learnt this science from Master Lobang of Tibet for about six years and has experience of over a decade in applying this science in research and analysis. Dr. Taparia is first person in India to acquire ISO 9001 Certification for this Science. He has conducted over 7 lakhs analysis of Aura and thousands of them were performed on well known Saints, Sages and celebrities.

100% development of Sahasrara Chakra

Human Body consists of seven chakras, Dr. Taparia explains so far he has never been able to find 100% development of Sahasrara Chakra and Muladhara chakra in anyone's Aura, But ***Pujya Bapuji has these chakras fully developed to 100%.*** Healing by Saint's blessings and touching has been considered as blind faith but this analysis also explains why thousands of people have experienced healing of incurable ailments by Pujya Bapuji.

[WATCH VIDEO](#)

As explained by Dr. Taparia we can now understand why several lakh people sit quietly on the ground during His discourses for several hours without any worldly conveniences. They give up their strong addictions of smoking, drinking and other bad habits. Additional experiments have also been conducted on disciples to see the impact of Meditation and chanting on energy around the Human Body.

Pujya Bapuji successfully represented India in the 'World's Religions Parliament' held in September 1993 AD. Exactly 100 years after Swami Vivekananda.

Parliament of World's Religions was organized at Chicago in the first week of September 1993, which was attended by more than 600 speakers from all over the world. Bapuji had been invited as the chief speaker from India. His discourses were held from 1st through 4th September 1993.

While other orators were given less time, people listened to Pujya Bapuji with rapt attention for 55 minutes on one occasion and 75 minutes on the other. In Bapuji's satsang, one finds an excellent synthesis of the knowledge imparted by Rishis with modern life and a harmonious blend relevant to present-day society. He was the only Indian personage in the Parliament of World Religions, who had the opportunity of addressing the listeners thrice.

Miraculous escape in Helicopter Accident

On 29 August, 2012, Pujya Bapuji's helicopter crashed into three pieces but it was a marvel that not even minute injury was observed neither on Him nor on the co-passengers or pilot. If you watch the video you will find how severe the accident was & **no ordinary person could have survived it** but right after this incident happened in Godhra; Pujya Gurudev reached to satsang place with the same joyful saintly expressions, explained

about the severity of the incident and then enlightened sadhaks about the importance of Vedic mantras like Maha-Mrityunjaya Japa which saved him and his disciples (co-passengers) including the pilot as well. Nature does show miracles to save righteousness in Iron Age too.

02

Why Is He Targeted?

The attack is not on Asharamji Bapu but It is an attack on Hinduism. **Asharamji Bapu is at the forefront in resisting and stopping religious conversions.** Innocent and gullible Hindus are not able to visualize the invisible mechanism working behind defaming Hindu saints which is part of a massive conspiracy of certain powers that are opposing the Hindus as well as our Hindu nation.

1

He is a Hindu Saint Who Resisted & Stopped Religious Conversions

2

Huge Monetary Loss to Multi National Companies

3

Condemned Foreign Funded Media

4

Envy and Ego of Ex-Ashramites

Key Reasons Why He Is Targeted

1

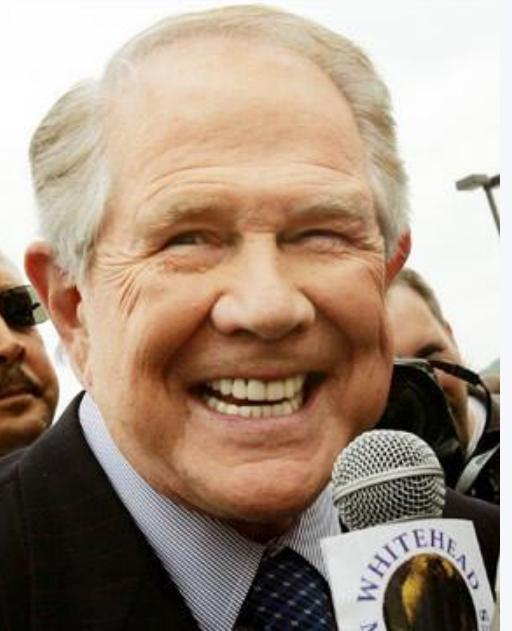

He is a Hindu Saint Who Resisted and Stopped Religious Conversions

Asharamji Bapu is an ardent patriot & Nationalist and is the force to reckon with.

His literature apart from guiding the spiritual aspirant to the supreme consciousness, also addresses a wide field from health to peaceful family life to correct lifestyle among others. The children attending the Bal Sanskar Kendras & of sadhak families are taught from childhood to respect the motherland, to be proud of their rich cultural heritage and Hindu Dharma.

A single person has given over 425 ashrams all over India and abroad for spiritual practice, 1400 Yoga Vedanta Seva Samitis and 17000 Bal Sanskar Kendras where young minds are trained to be better citizen, 50 Gurukuls to train young minds with modern education and equip them with spiritual values.

Goal of 100 million Hindu converts was declared by Reverend Pat Robertson in Dallas Christian Conclave in Oct, 2005

Christian Missionaries have been converting poor Hindus in both rural and urban areas in lakhs every year, by offering them Money, free household facilities & promising healing from diseases. In fact, entire villages have been converted overnight. In 2005, at Ongole village in Andhra Pradesh there were **15,018 people converted to Christianity, overnight!**

Indirectly stopping conversions

In recent years, Pujya Bapuji has been running a campaign in Gujarat, Rajasthan and Madhya Pradesh to reconvert these Christians back to their original religion i.e. Hinduism, Which has not been tolerated by those foreign Christian missionaries and some foreign NGOs. In a given video link, Dr. Suman Kumar (Previous name Robert Solomon, originally from Jakarta, Indonesia)

is confessing that he used to work for those Christian Missionaries who would forcibly convert poor Hindus into Christianity! After studying Indian Culture he resigned that evil job, converted himself into Hinduism and now working for reconverting those Indian-Christians into Hinduism back again!

2

Huge Monetary Loss To MNCs

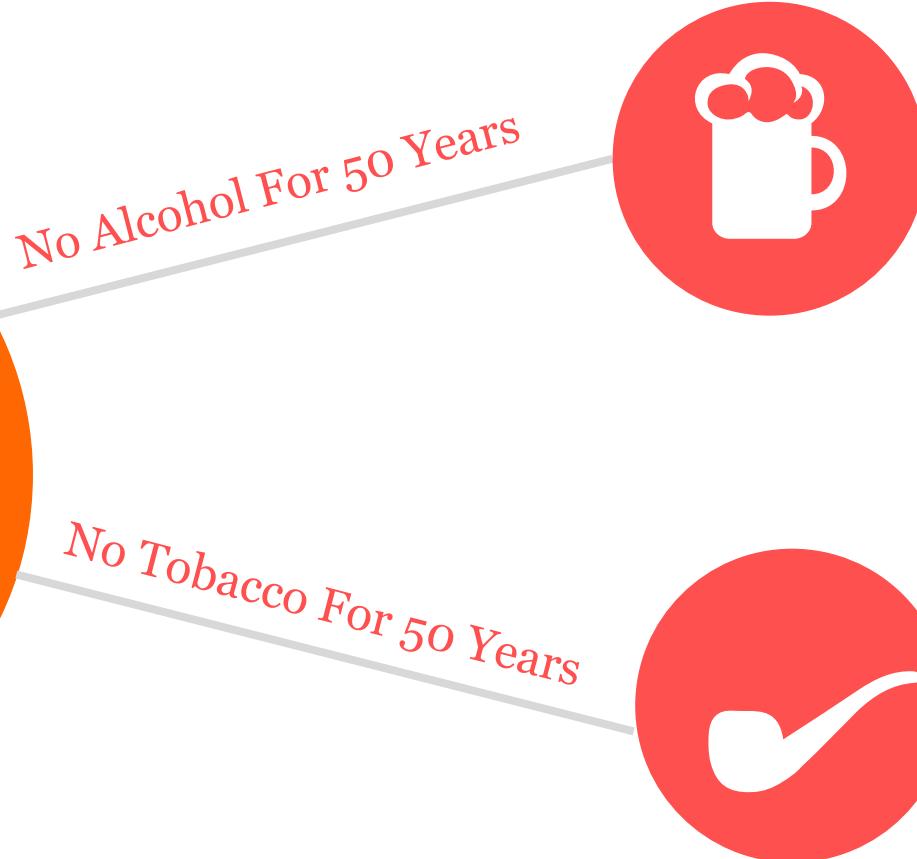

Bapuji has devoted at least 50 years of his life to the spiritual awakening of the people. He has made a huge following of 60 million devotees in 50 years, creating an ecosystem of spiritual growth with permanent transition to a dharmic lifestyle. De-addiction of all his followers causes huge monetary losses to many multinational companies.

Numbers Don't Lie

If we reduce the figure of Pujya Bapuji followers from 60 million to 20 million, lest people should consider it to be an exaggeration. Let's suppose, if 20 million people don't consume alcohol for 50 years that goes to save about 18820 billion rupees. If we calculate the savings in terms of consumption of cigarettes the amount comes to 11360 billion rupees.

20+
*Million
Followers*

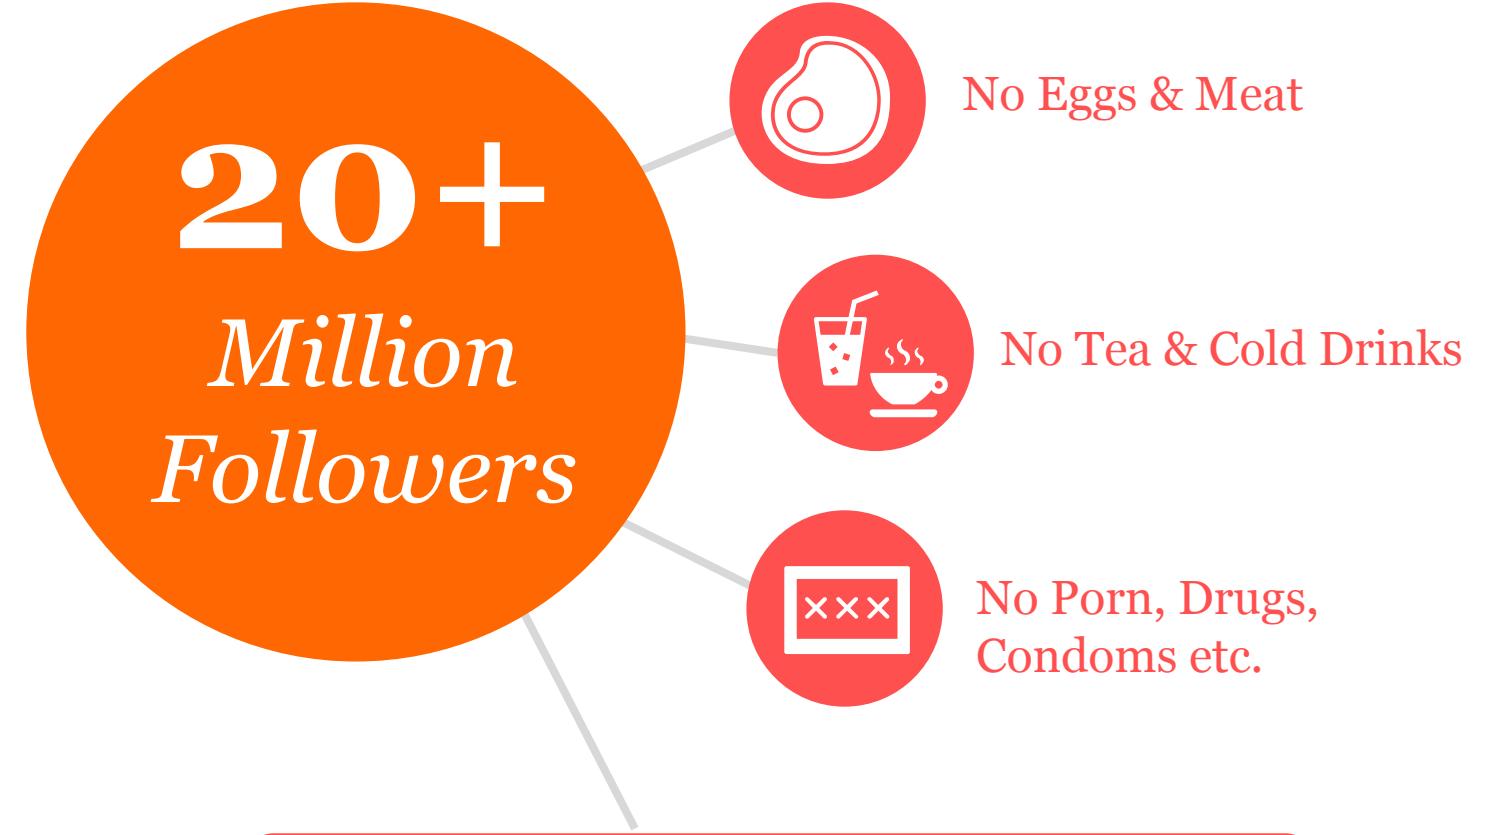

18820
Billion Rupees Loss

11360
Billion Rupees Loss

Similarly, even the amount saved in Gutkha-consumption, Tea & Cold Drinks, Eggs & Meat can easily be calculated. The strong message of Celibacy (Brahmacharya) causes a great loss to the Sex Industrial Complex (the producers and distributors of pornography, lewd music albums, manufacturers of condoms, drugs for AIDS, etc.) If we calculate the combined total of all these, the amount runs into a few hundred trillion of rupees to say the least.

So, it's no big deal if those companies incurring losses to the tune of trillions, decide to spend a few billions to defame Bapuji!

100+ Trillion
Rupees Loss

3

Never bowed down to Foreign Funded Media Channels

Many Foreign Funded Media Channels tried to threaten Pujya Bapuji time-to-time that If he doesn't send them 25-50 lakhs Rupees worth of packages then they will show even more negative news against him and his organization. Pujya Bapuji not only clearly refused them to pay a single penny but also challenged them to write and show even more negativity. He said that he would rather use the charity money for the welfare of poor than giving it away to those traitors to our country who run media channels.

The number of Bapuji's disciples is in crores. Out of them these 8-10 people speak against the Ashram and Bapuji. They are saying what they say not because they had bad experiences while living in the Ashram but because they are themselves mired in vices and therefore they level false and baseless allegations against a pure saint like Bapuji and the pious Ashram. Now you can judge for yourselves whether the fictitious allegations of such corrupted rogues carry any value or not!

03

Truth Behind Allegations

It is well known that none of the Self Realized saints were ever untouched by defamation. Be it Saint Kabir, Saint Mira Bai, Mahaprabhu Chaitanya Dev, Guru Nanak, Swami Vivekananda and so on. No one knows now anything about those who defamed them but these saints are still worshiped and seen with high respect in our Society.

2

Why chose Delhi to file FIR? – Suspicious delay & political pressure on Delhi police

The girl belongs to U.P. She was studying in M.P. where-as the alleged incident is reported to have occurred in Jodhpur (Rajasthan). Then why was FIR registered at Kamla Market police station, Delhi after 5 days of the reported incident & that too at 2:45 a.m. in the extremely late hour of the night? Why delay for five days? It has also been reported that before lodging the FIR, the girl's parents had met some politicians, who are inimical to Pujya Bapuji.

3

“No rape charges filed in FIR and medical report received from Delhi does not confirm rape at all”- DCP Ajay Pal Lamba, Jodhpur (officer sacked soon after)

There is no accusation of 'Rape' in the FIR registered by the police on the basis of a complaint lodged by the girl. Then why Bapuji is booked under a non-bailable section of rape? The medical report of the girl is also normal then why did Media resort to false propaganda that rape has been confirmed by the medical test?

On 26-08-2013 around 1 PM jodhpur police confirms in a press conference that "There hasn't been any allegation made by the girl in FIR and the Medical report doesn't affirm rape at all" then why is it that after six hours on the same day, same police refuses to withdraw 376? And why the same police officer was sacked from investigating the case? Police is clearly under some political pressure.

4

“Neither girl nor Puja Bapuji was present in ashram at the time of so called incident. Investigation has proven this fact.”- Shri Subramanian Swamy

During Investigations, it is found from telephone records that at the time of incident the complainant girl was not even present in the Ashram. She was in a long mobile call with his boyfriend and it was found she was somewhere else and at the same time Bapuji too was present as the main guest in a wedding ceremony even he was not present there.

It has been shown in many media channels that witnesses in Asharamji Bapu case are threatened and attacked. Here in the enclosed video Shri Subramanian Swamy is confirming that all the witnesses that are listed by Honorable Supreme Court are not only alive but their statements have also been taken in court. People who are dead and who are claimed to be witnesses in our case, their names are nowhere to be found in the case documents. Confluence of Jnana yoga, Karma yoga, Kundalini yoga & Bhakti yoga

In Pujya Bapuji's satsang we find a marvelous blend of the depth of Kundalini Yoga, the joy of Bhakti Yoga and the Knowledge of the Ultimate Truth of Jnana Yoga. In addition to that, Karma Yoga finds a perfect expression in His life. The Society is being benefited today by a number of altruistic activities being carried out under Bapuji's auspices.

Mantra diksha and Kundalini shaktipat

Pujya Bapuji offers spiritual initiation to children and elders at large using mantras and encourages children to attain great success in their education and elders to attain accomplishments in worldly activities and spiritual front.

The Diksha given by Him in Vedic mantras brings total transformation in the lives of Sadhakas. They make all round progress in life – physical, mental and spiritual. Various benefits of Mantra-diksha are clearly visible in disciples' lives. It is impossible to state all the benefits accruing from Mantra-diksha. "I learnt by heart 80000 words of Oxford Advanced Learner's Dictionary' (6th edition) along with their page numbers. As a result my name has been registered in the 'Limca Book of World Records' Besides, I have also set a world record in a reality show called 'Shabash India' shown on Zee TV. Having received initiation from Pujya Gurudeva Sant Shri Asharamji Bapu, getting an opportunity to practice Bhramari Pranayama, and His instructions and inspiration to convert my weakness into the means to become great, the various techniques, kindled enthusiasm, and inner strength - all this is but the miracle of the motiveless Grace of Pujya Bapuji".

It is the only place where no one is asked to pay a single rupee to attend a satsang.

People come in thousands and lakhs but Bapuji has never asked for a donation of a single rupee. No one is asked his religion, his caste and everyone is treated equally.

When Bapuji ask people to raise their hand if they have benefitted from him, after becoming Sadhak, thousands of hands are raised in affirmation. It is only due to this fact that the organization has so many ashrams around the world.

*No Charges,
No Donations*

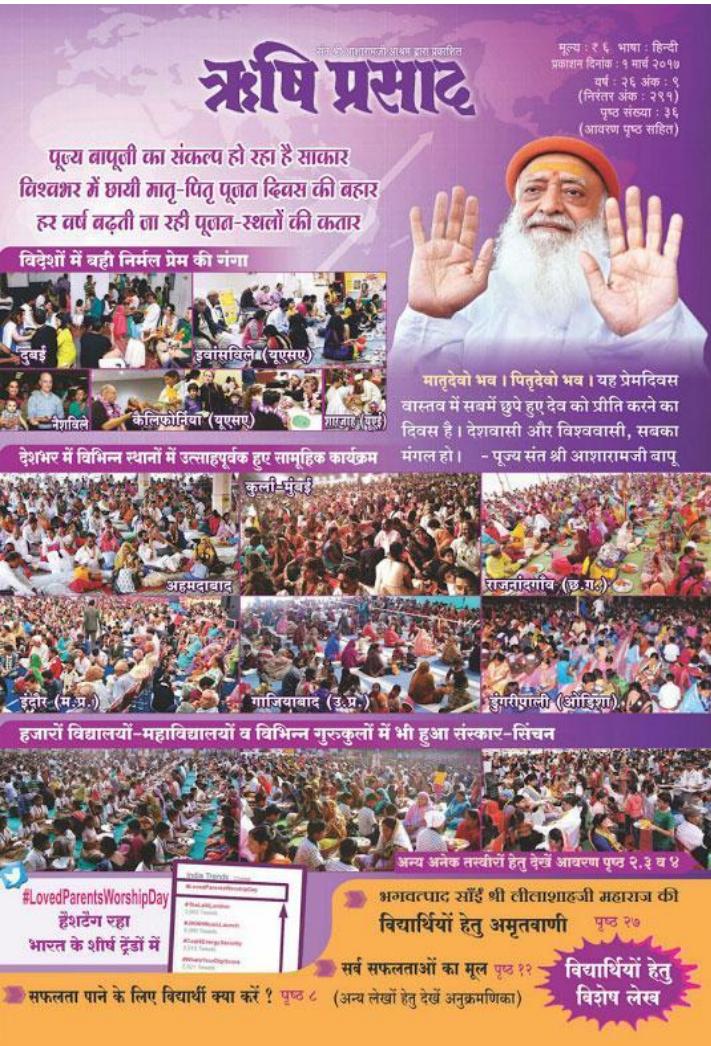

*And, There is no
thing as 10,000
Crore Empire!*

WATCH VIDEO

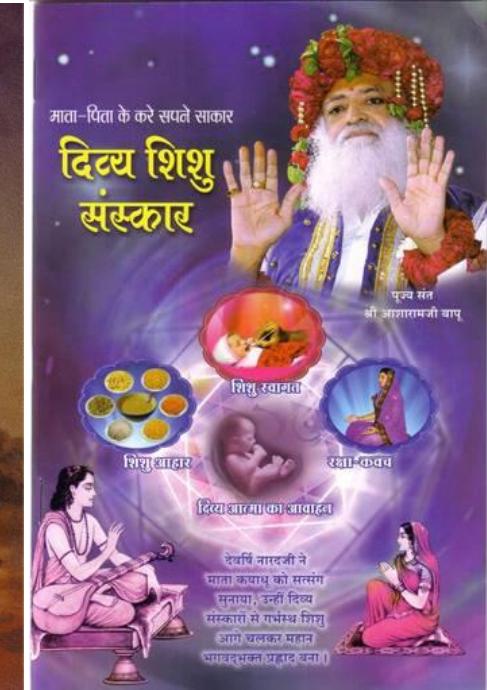

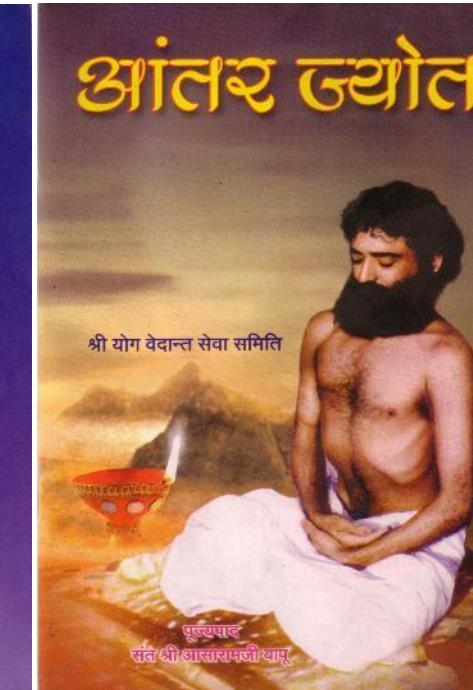

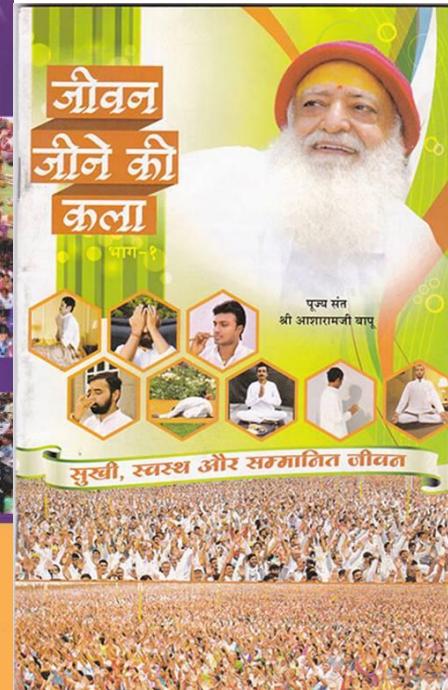

Recently, an article in India Today Magazine alleged that Pujya Bapuji has 10,000 crore worth of empire! Reality is that the number of ashrams are 425, number of gurukuls – 50, number of samitis – 1400, Number of Bal Sanskar kendras (Moral education centers for children) 17000+. ***But none of these are Pujya Bapuji's personal property*** as it is propagated by Paid Media. People donate land and resources to Yoga Vedanta Seva Samiti (A charitable organization of people that manages everything). And people who donate do it on their own. Bapuji never asks anybody to donate. People donate for the benefit of the society which is eventually a benefit of their own.

That's why Ashrams & Samitis have been established abroad also at Matawan (USA), Toronto (Canada), New Jersey (USA), Dubai, Singapore, Nepal, Pakistan, Bangladesh, Sri Lanka, Hong Kong, Chile, Kenya, England, West Indies and many other cities and countries etc.

Quality literature sold at zero-profit

Similarly, More than 354 books have been published by Ashram. There are more than 16 lakhs people who have subscribed for monthly spiritual magazine "Rishi prasad" and 2 lakhs for "Lok Kalyan Setu". Rishi Prasad and Lok Kalyan Setu are monthly publications which sell at cost of mere Rs.2.50. Ashram is selling these Books & magazines at zero profit to make sure quality literature reaches to middle class and lower class followers of Bapiji. Entire Asharamji Bapu's organization is leading in social service mission.

Mahila Utthan Mandal for Women Empowerment

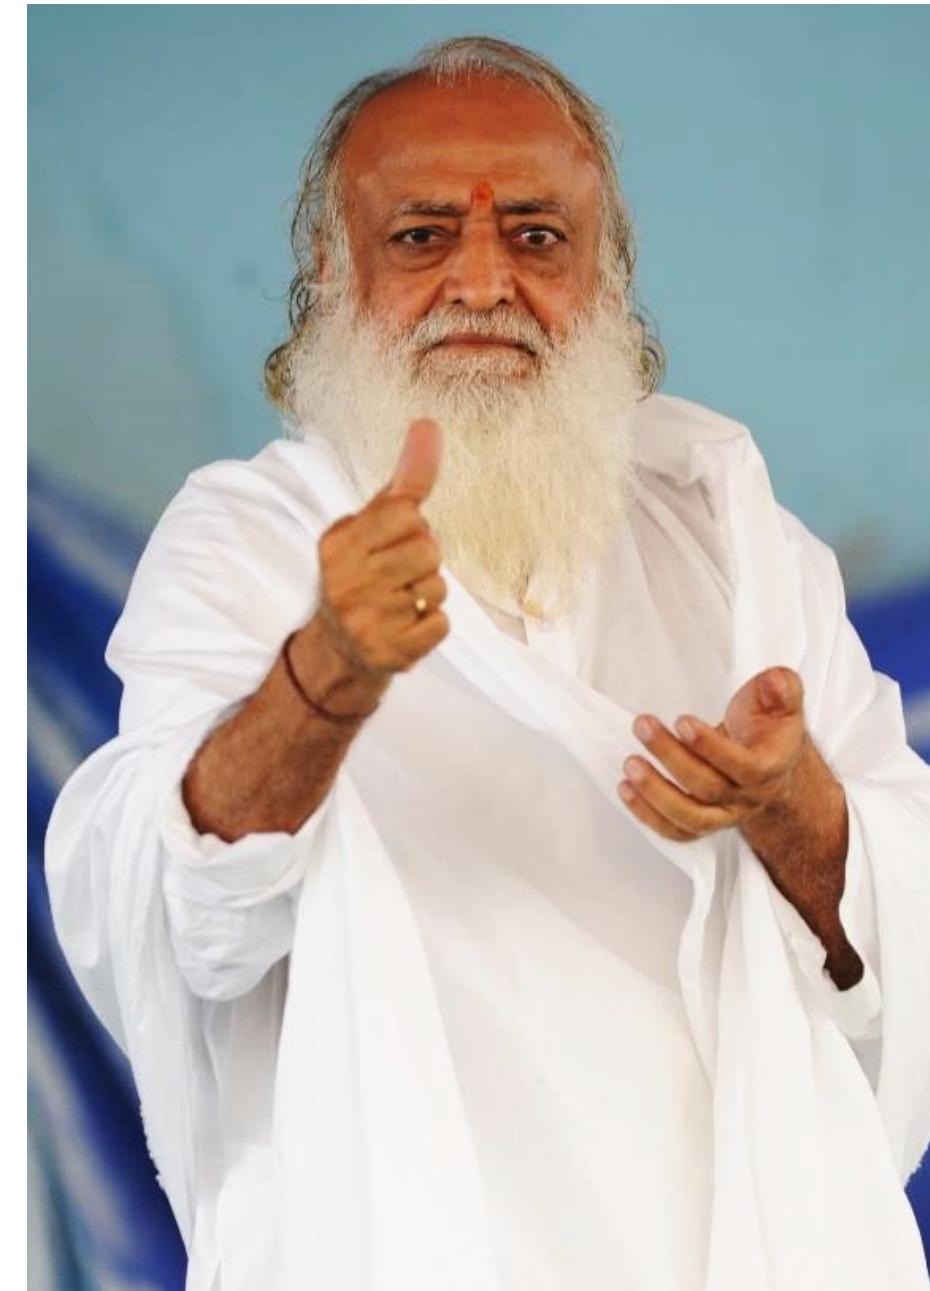

Mahila Utthan Mandal running under aegis of Pujya Bapuji are ever engaged in awakening the women through activities of women empowerment so that they can live with self-esteem. They run several campaigns like 'Yuvati Sanskar Sabha', 'Tejaswini Abhiyan', 'Mahila Pratibha Vikas' 'Anti-abortion Drive', 'Divya Shishu Sanskar' etc. for the all round development of women. This is easily removing the problems of abortion, smoking, divorce and suicide among women. When Bapuji came to know of the molestation of women working in Call Centres he raised voice of protest against it in satsang; and he inspired 'Mahila Utthan Mandal' to protest against it strongly.

Gurukuls- Perfect blend of the modern & spiritual education

Opposed Macaulay's Education System & Convents

Now these Christian missionaries fear that such education being spread may break the chains of mental slavery programmed by Macaulay's western education system in Indian generation's mind. That's why; time to time they keep on conspiring to defame Indian saints and Hindu Dharma.

Asharamji Bapu also exposed convents as a front of missionaries which start mind control of young fresh minds by injecting poison about Hindu Gods, culture & religion. Gurukuls reversed this trend, apart from this the result is spectacular too.

17,000+ *Bal Sanskar Kendras*

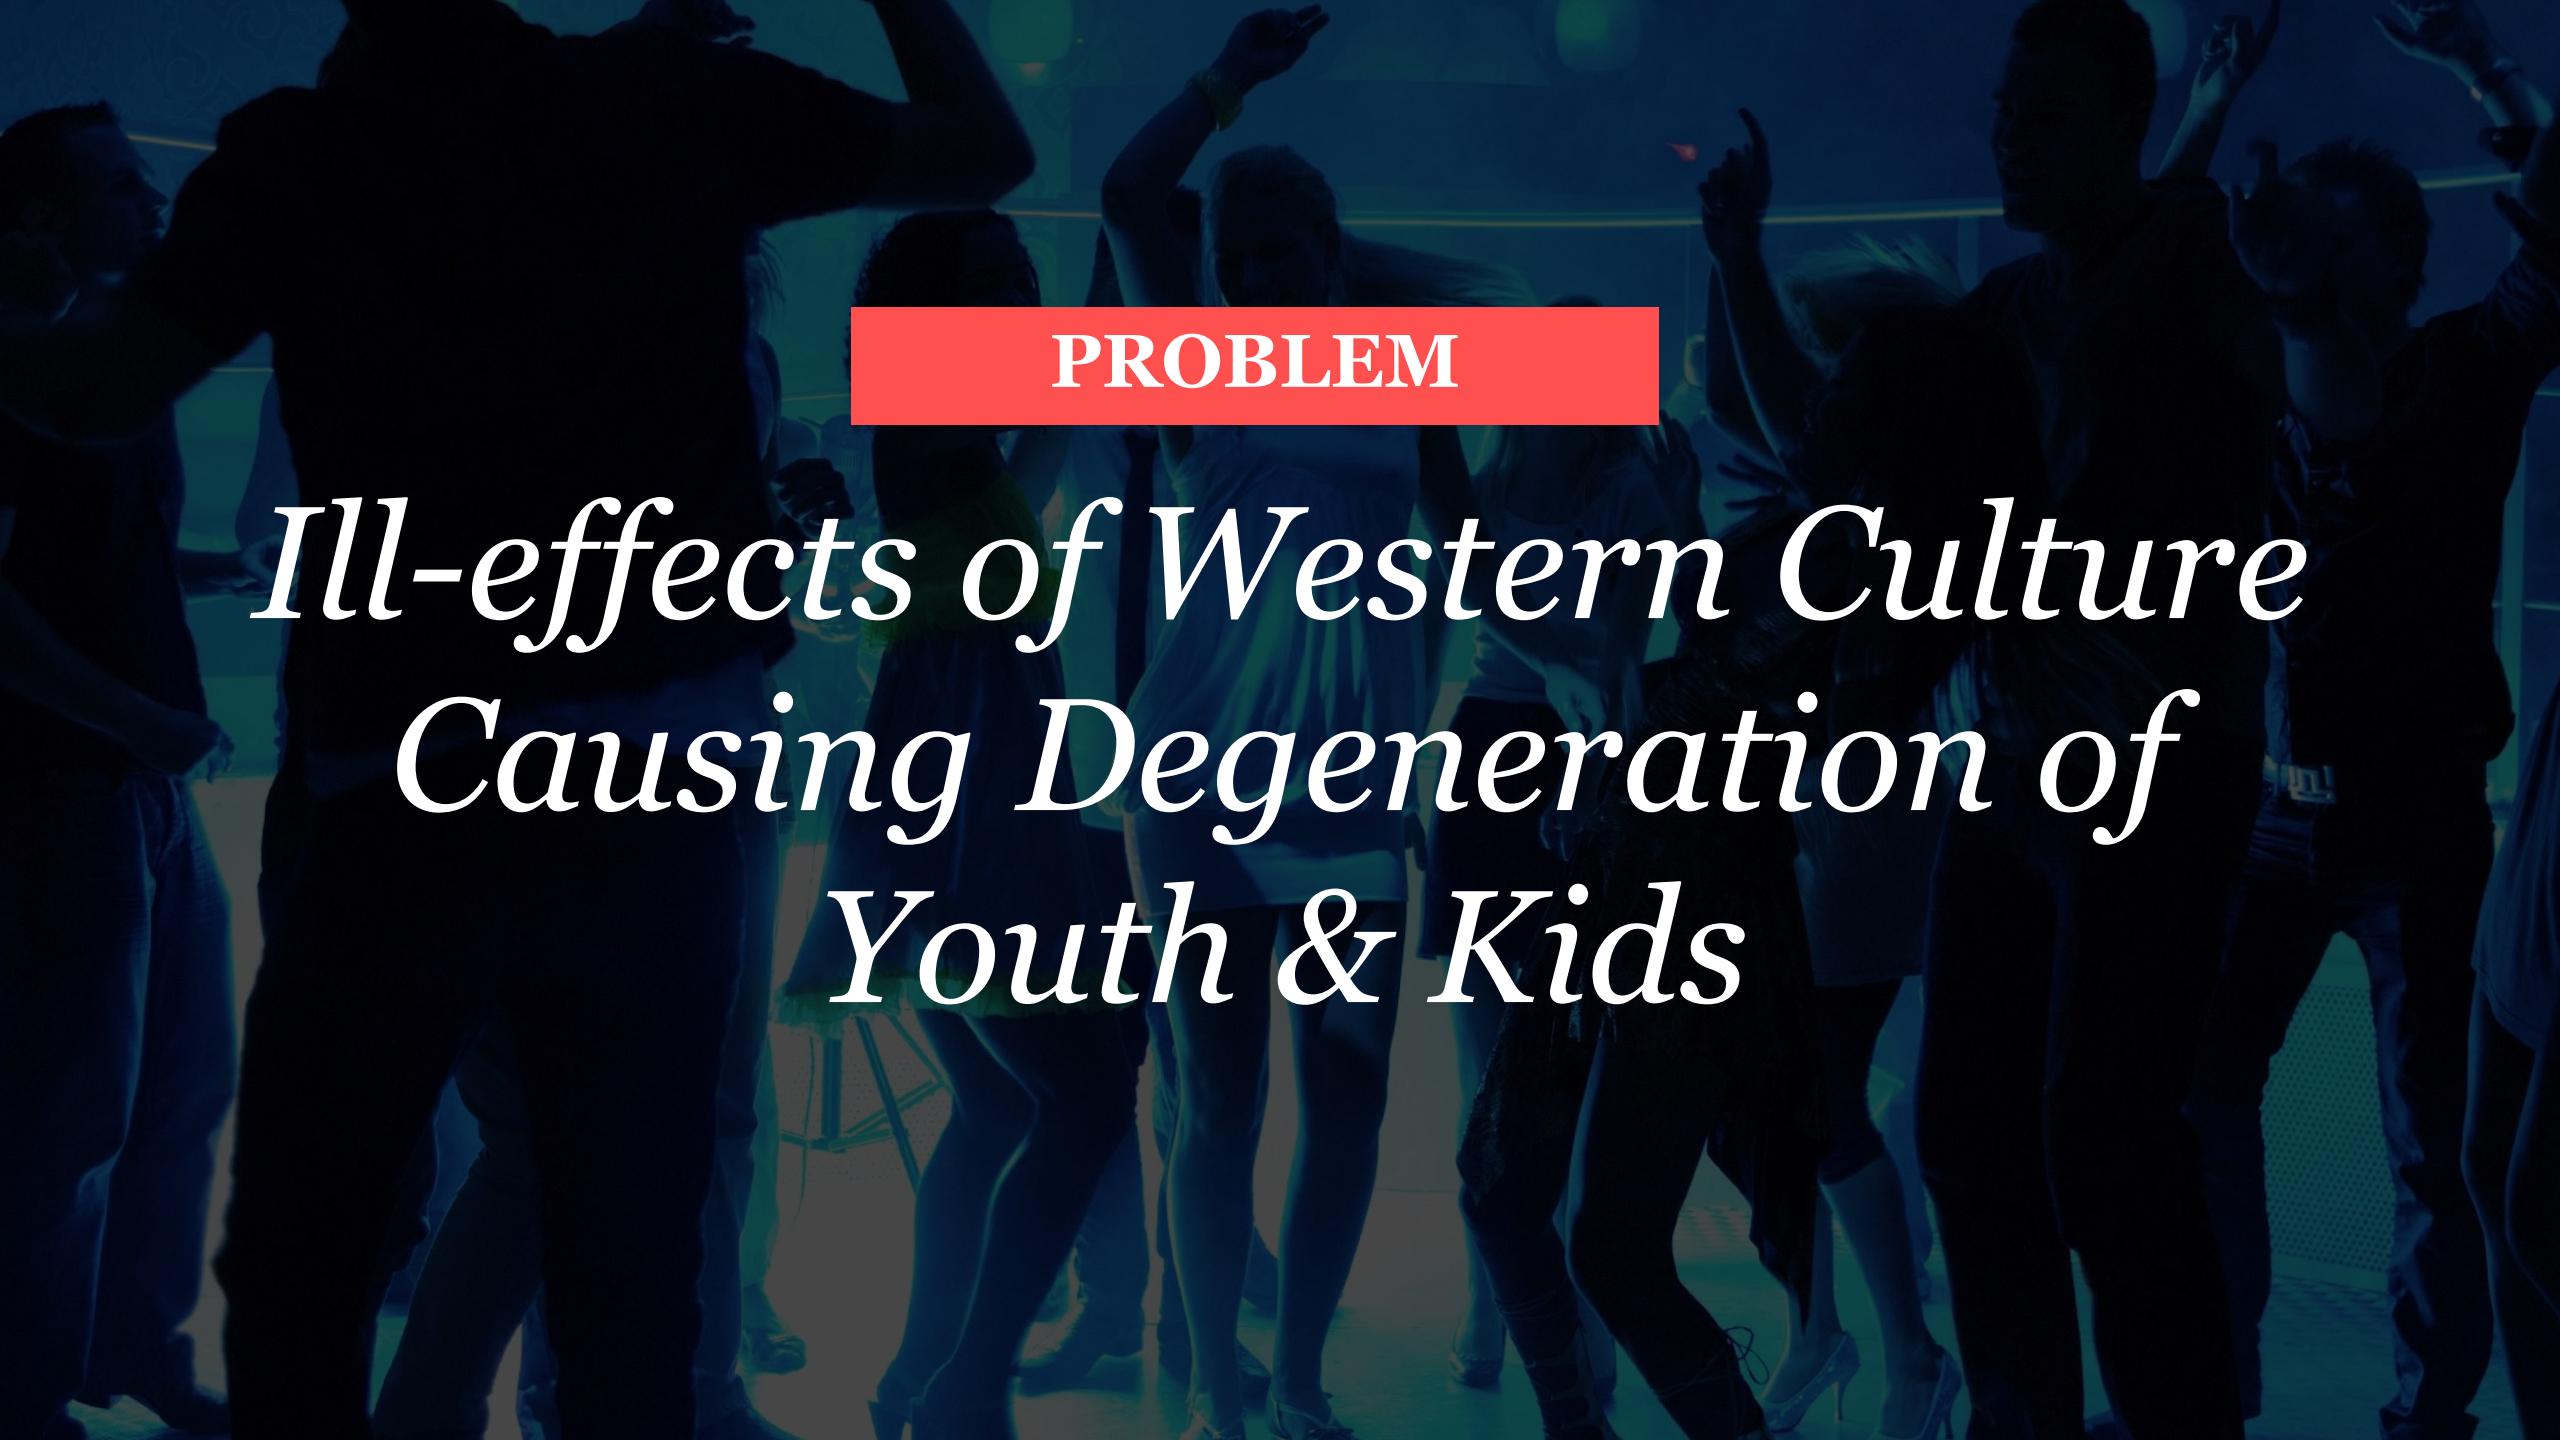

Student life is the basis of human life. To strengthen this, more than 17,000 Bal Sanskar Kendras are engaged in the divine work of inculcating noble traits in students throughout the world. This initiative is entirely **volunteer based and thus free of any cost.**

One-on-One Training through 'Students' Upliftment Camps'

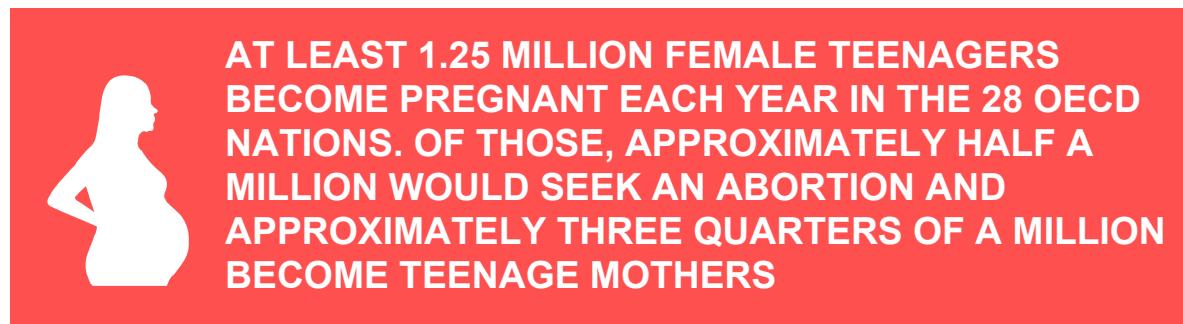

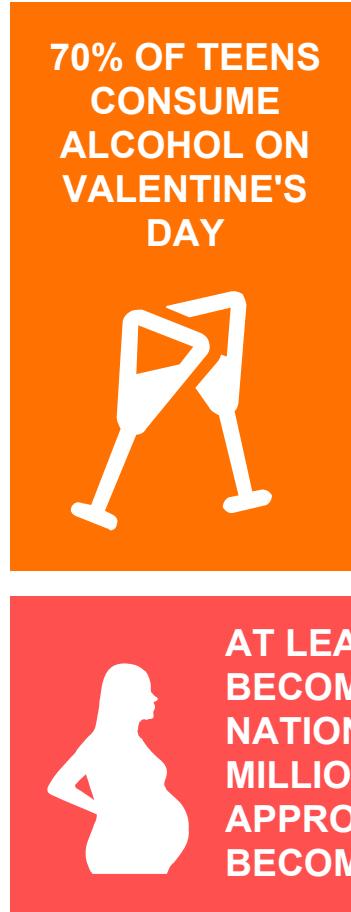

'Vidyaarthi Utthan Shivirs' are organized in the holy presence of Puja Bapuji. In this, students are imparted training in yogic practices, yogasana, meditation, etc. so that they may develop their latent powers and become devoted to their aim in life and be endowed with will-power and discrimination. These children then grow to become noble citizens of tomorrow and glorify their parents, teachers and the nation.

SOLUTION

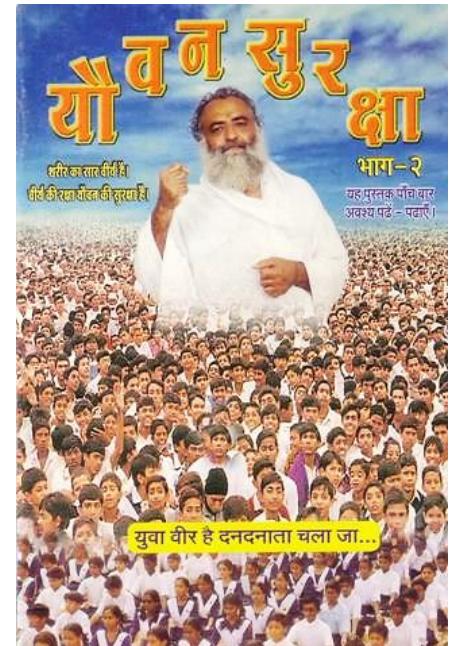

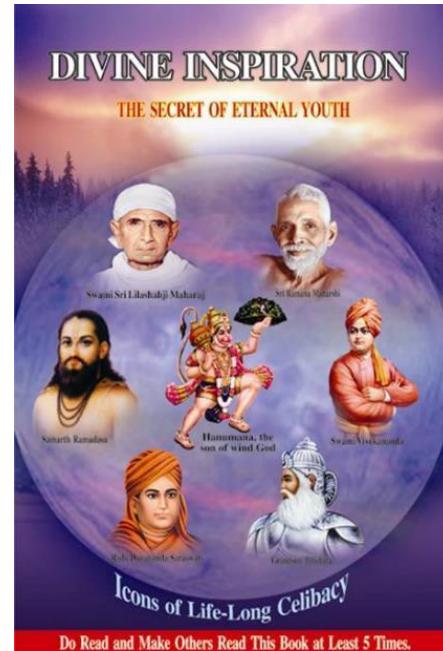

*Emphasis on Celibacy
via Yuvadhan Suraksha
Abhiyan & Celebrating
Parents Worship Day*

Preservation of wealth of youthfulness - Celibacy

Even after spending crores of dollars on 'abstinence only' campaigns in schools, governments of different nations are unable to solve the consequent problems.

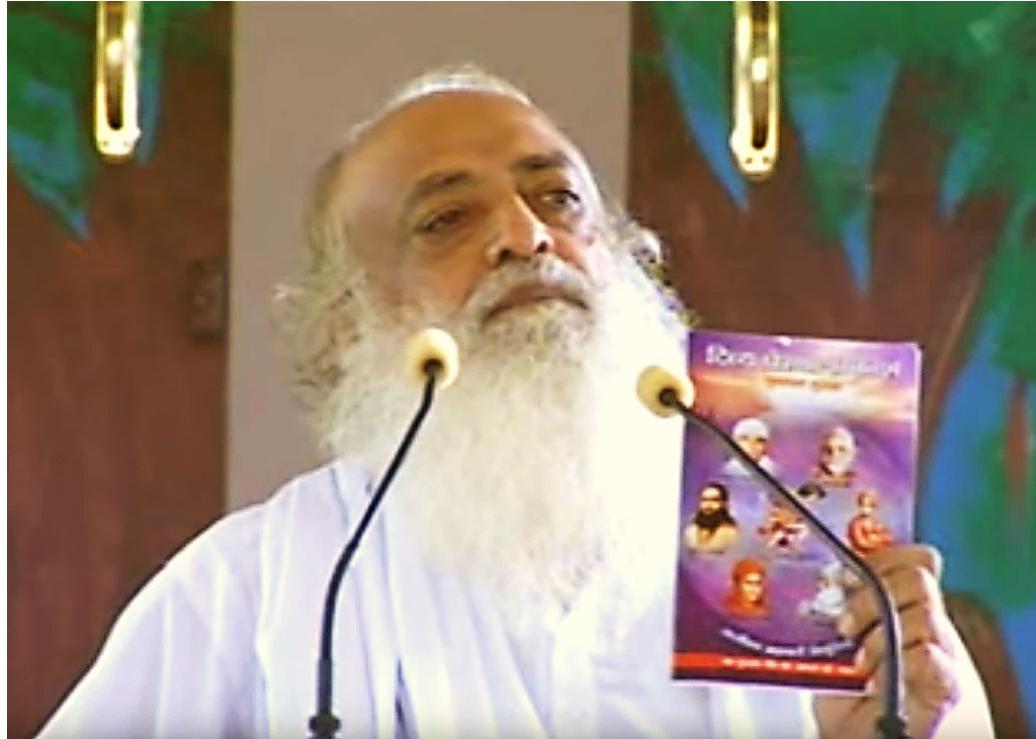

Pujya Bapuji always puts emphasis on Celibacy (Brahmacharya) in his satsangs/books. By just having darshan of Bapuji, sexual thoughts get vanished and people live better life with self-restraint. It is unfortunate that Paid Media does not highlight this.

More than 2 crores 'Divya Prerana Prakash' booklets have been distributed among the students, youths and others. Many youth development programs have been organized. The campaign for protection and preservation of wealth of youthfulness has brought new awareness in the youth.

(Desi) Cows*

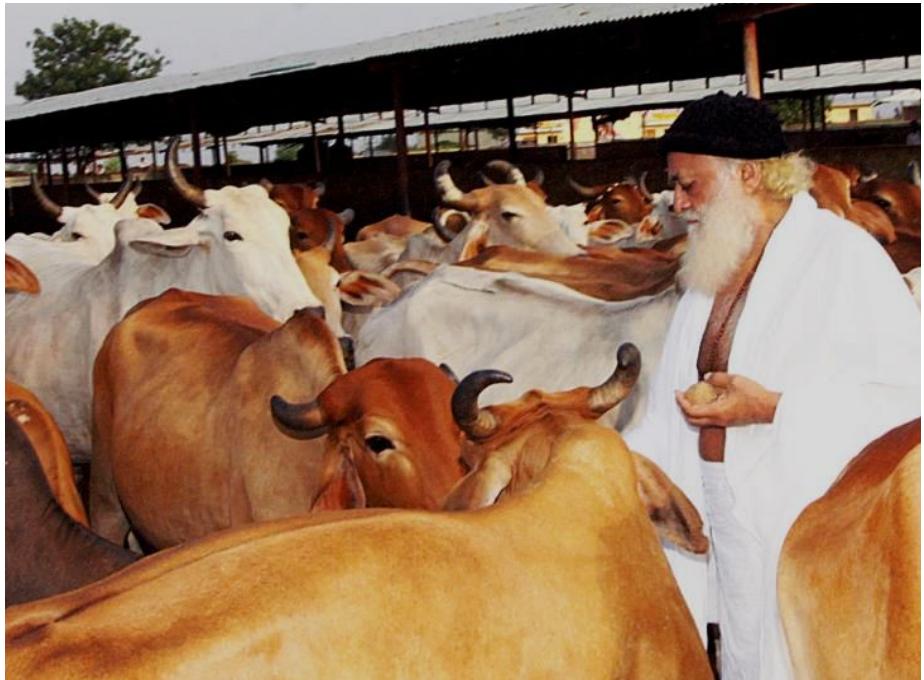

Saving old cows from dying in slaughterhouses

Nine major & 43 minor Gau-shalas (Cow shelters) have been running in various places all over country under the auspices of Pujya Bapuji, where more than **9000 cows** are looked after, which otherwise would have been butchered for meat. Medicines are prepared from the urine of these cows. Goshalas are being run in Gujarat, Madhya Pradesh, Rajasthan, Punjab, Haryana, Maharashtra etc.

Not only saving the cows, but thousands of families in the vicinity of such cow-shelters are also getting daily wage-employment for making products from cow's urine (Gaujharan) and cow's dung (Gau chandan dhoop). Some news channels covered the welfare activities of one of such cow-shelters. You can check out the following link for more information.

1) The hump in Vedic cows has a specific vein called Surya Ketu Nadi which is absent in Non-Vedic ones. This nadi (vein) absorbs all the energies and radiations from sun, moon and all luminaries from universe and puts them in cow products like milk, urine, dung, ghee (clarified butter) etc. In cow products of non Vedic species this divine effect of Surya Ketu Nadi is absent.

2) If someone is dead or near approaching it, sprinkling or coating cow urine near them stops impending degradation after death.

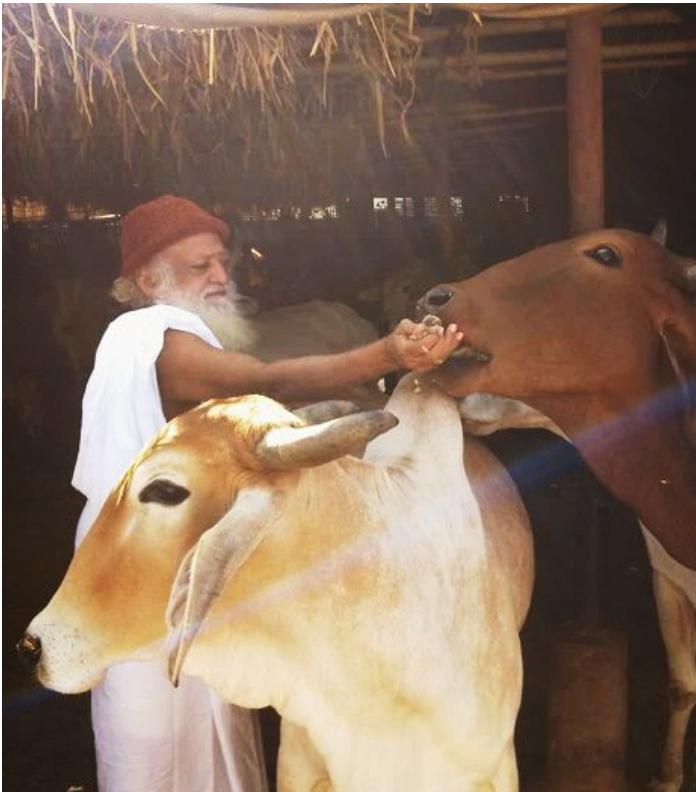

3) Aura of a person who circumambulates cows extends to 14 feet instead the usual 7 feet of any other person.

Present State & What's Next?

On 25 April, 2018 Jodhpur Session Court ruled against Asharamji Bapu and sentenced him barbarically to life imprisonment in jail. A single person who has given so much to the society and continues to do that even today. And what we have done to him? Put him in a jail? Even if Nobel peace prize is awarded to him, it will fall short of recognizing his contribution to peaceful and happy Indian and world society.

When Bapuji was asked in Jodhpur, before going to jail, what is your last message to your Sadhaks, he said very calmly, “Please maintain peace, have patience & do su-prachar (promotion of truth). **This judgement is not last and I still have complete belief in Judiciary System**”.

[READ MORE](#)

This is the greatness of a real saint, that he has maintained his Samata and Prasannta i.e. Equanimity and peace in every situation. If there is peace and tranquility in society it is because of Satsang of Bapuji and other real spiritual Gurus and not because of politicians who are engulfed by corruption; and who divide the society for their selfish gains. Even if Nobel peace prize is conferred on him, it will fall short of recognizing his contribution to peaceful and happy Indian and world society.

Pujya Bapuji's message for his followers- “Keep calm & do su-prachar”

The 60 million (6 crore) disciples of Asharamji Bapu are not stupid or illiterate people but include scientists, engineers, doctors, lawyers, bureaucrats, businessmen and people from all walks of life. No single man in the world can fool so many people on just the basis of faith & religion. Thus, they understand the conspiracy.

And, ***none of the followers have left Bapu Ji.*** Each day they are peacefully protesting for their SatGuru, and doing su-prachar or chanting God's name.

Faith of six crore still intact!

Maximum number of women followers

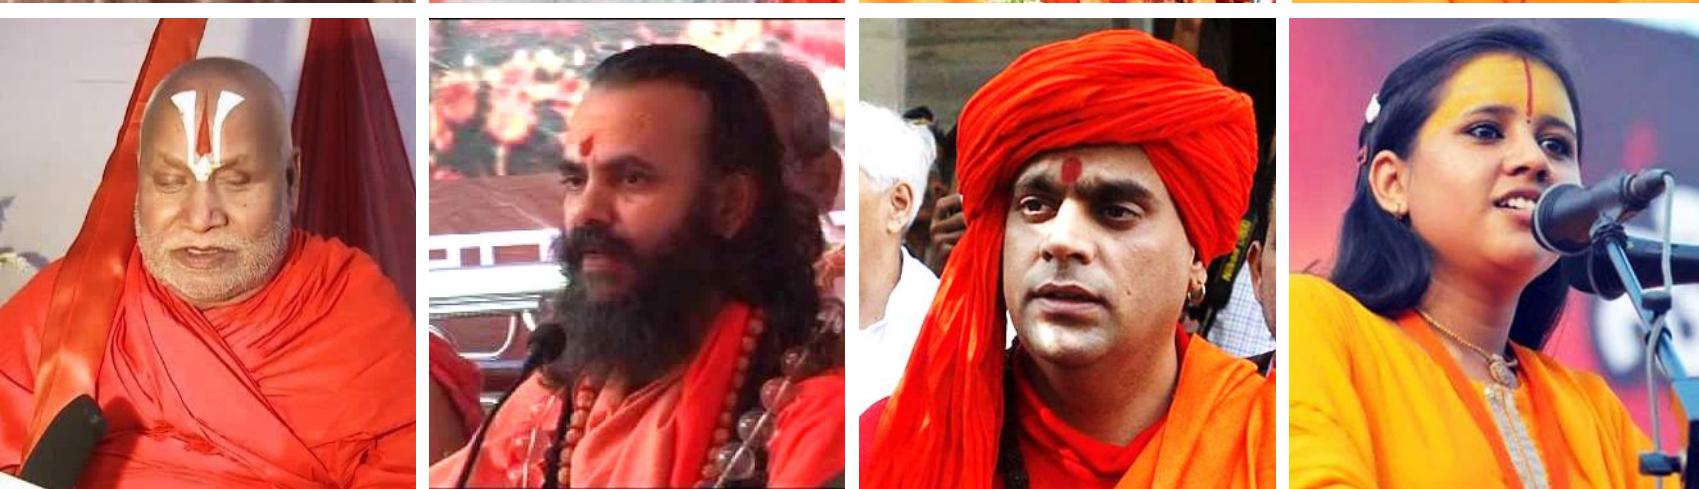

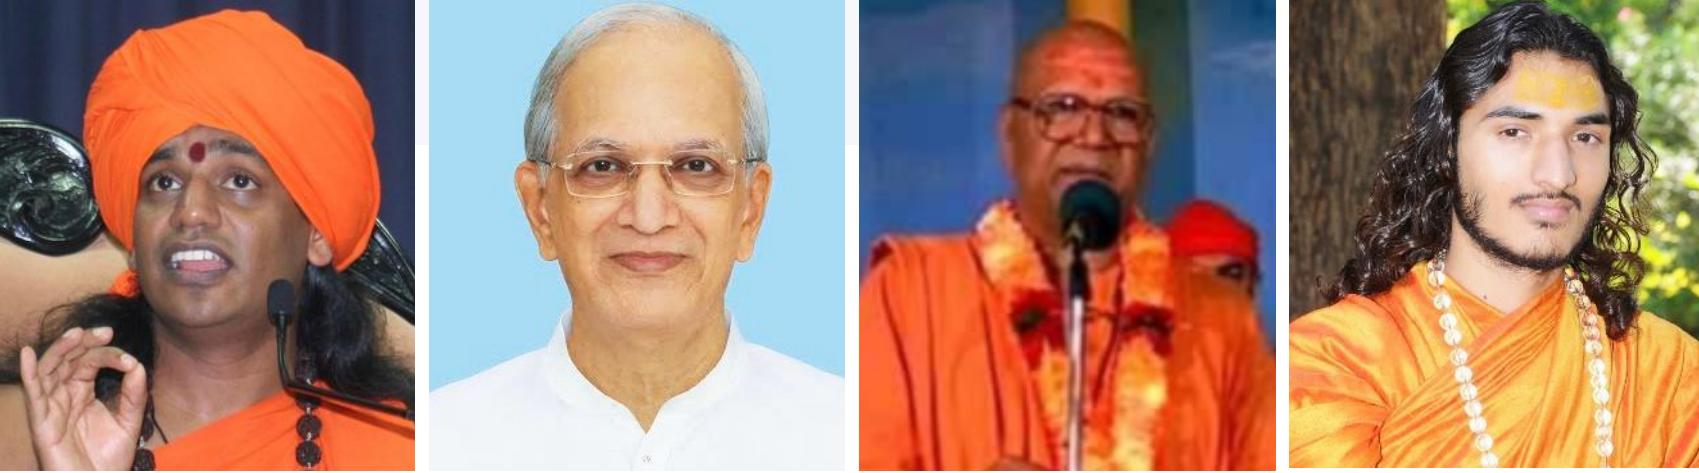

In spite of Pujya Bapuji being implicated in a rape case, he is getting tremendous support from crores of his women devotees spread all over the country and abroad. **Why media does not highlight the tears of these women?**

And, what is there in him that even after the entire media shouting against him, his followers are not ready to leave him. Why so much of faith in Asharamji Bapu? Because, they have experienced His divinity.

Why Bapuji refuses to use his powers on himself?

Some people argue that "If Asharamji Bapu is a great saint whom his followers worship as God, then why can't he save himself from all these problems?"

History has ample proofs, that even great incarnations like Lord Rama, Lord Krishna faced all sorts of problems as any normal human being would do. Lord Krishna left the battle field while fighting against Jarasandha and established a new kingdom in Dwarika. Like in case of Lord Rama- 'Abduction of Mata Seeta', 'Hurdles in defeating Ravana' & Guru Arjandev was imprisoned and tortured by Mughal tyrants. Guru Teg Bahadur was arrested and beheaded by Mughal tyrants. Guru Hargobind was imprisoned in Agra jail. What should we interpret then? They were not the gods? They were not efficient enough to use their powers? No! the fact is that, the great souls as Lord Rama & the Self-Realized saints like Buddha, Kabir, Jesus, Mirabai, even Asharamji Bapu too never use their powers for themselves. Instead ***they believe in***

"Total Acceptance & Surrender" to the system of the Nature. The notable part is, "100/100 times" such great souls only have "Won"! That's exactly what's happening in the case of His Holiness Sant Shri Asharamji Bapu every time.

What's Next? or rather Who's Next? – Hindus are under siege!

Innocent and gullible Hindus are not able to visualize the invisible mechanism working behind defaming Hindu saints which is part of a massive conspiracy of certain powers that are opposing the Hindus as well as our Hindu nation.

Our leaders and saints will be systematically eliminated with false charges and propaganda. By the time we realize it, it'll be too late.

The worst part of it all is, this secular-inferiority-complex of majority of Hindus makes them believe everything – the moment media says it. Is it wrong to be a Hindu saint? Now if we don't have saints in our country who will tell us about our culture, our heritage, our religion?

The reason countries like China and Japan are making progress is because their citizens are still connected to their culture. If they are not stupid enough to forget their heritage then why should we become so? It is a dream of Pujya Bapu Ji that Our Bharat, Our Hindustan become 'VishwaGuru'.

Secular-inferiority-complex of Hindus

It's time to change! It's time to Unite!
